

Dear Parents and Parishioners,

Recently at All Saints Catholic School, we have been discussing our relationship with God. As part of that relationship, we know that God wants us to think about others, and pray for others. We would like to let you know about a prayer program that we have here at All Saints. Students and Families can let us know if someone is in special need of our prayers. We then send the person a colored picture with a prayer on it, and let them know that we are thinking and praying for them.

"For whatever you do, to the least of my brothers, that you do unto me"

This informal program has been very well received. We have heard stories of people who have turned away from God in anger, and the notes and prayers from our students have warmed them back into His flock. We have heard stories of lonely, sad parishioners who smiled when they received a hand colored prayer. It helps us because it allows us to think of others, and it helps the person by letting them know that our school cares about them. If you know of anyone in special need of prayers, (does not have to be a parishioner), just fill out the following form and we will send a nice note out right away. Anything you can tell us would be most helpful.

Please send this form back even if you sent one in last year. We would like to update the prayer binder, so we will need a new form for anyone you would like us to send a prayer picture to.

Sincerely,
The Staff at All Saints School
