This week at ASCS

Halloween laughter and joy filled the hallways this week. Students brought amazing yummy treats (thank you parents) and had wonderful, creative costumes. The staff, along with Father David, had a great time celebrating this Holiday with the students. Below you will find the link for the snake walk. I apologize not all of the students made the video. I did not realize my phone stopped recording!

Music and prayer made for a special All Saints Day on Thursday. The students practiced the Litany of Saints all week in their classrooms to sing during communion on All Saints Day. They also clapped along to "When the Saints Go Marching In", at the end of Mass, filling the church with music. I am sure the Saints were smiling down at our prayerful, wonderful students. The litany could be heard being sung by students in the halls for the rest of the day!

On Wednesday, November 7th, the 5th-8th graders will be participating in a Spiritus Retreat at the Parish. The retreat, entitled Finding Hope, will guide the students to find hope in the world and in their prayer lives when life throws them challenges. We are looking forward to this day of prayer, fun, and learning about our Catholic Faith. Lunch will be provided: Popcorn Chicken, French Fries, fruit and pudding cups, and dessert. Students may also pack a cold lunch.

Highlighted Class of the week

Mrs. Pick's 5th Grade Class

Students in Fifth Grade made candy corn catapults to have some fun during math class on Halloween. They worked in small groups to design their catapults using only a spoon, pencils, and rubber bands. Once the students decided on a design to try, they worked together to make their catapults. Once everyone was ready, they went outside to complete five trials and measure the distance of each launch. After each trial, they had to decide what to modify in their design to try and make their candy corn go farther. It was a great activity to integrate skills from multiple subjects!

Middle School EAA trips will also resume this month. On Tuesday, November 13th, students will be traveling to the EAA grounds to continue our STREAM activities. More information and pictures will be shared that week!

The Prayer this Month is: The Act of Contrition

O my God, I am sorry for my sins with all my heart. In choosing to do wrong and failing to do good, I have sinned against you whom I should love above all things. I firmly intend, with your help, to do penance, to sin no more and to avoid whatever leads me to sin. Amen

Bus Behavior

Help Needed: Our wonderful bus driver Jack is requesting some assistance. He is the bus driver for the "shuttle bus" that takes the students to Clay, where they then transfer to the bus that they will ride home. Behavior on the bus has been disrespectful to Jack. There are students walking around when they shouldn't, eating and throwing food, jumping over seats, and listening to loud music. He has talked to several students, and has not given names, yet. As of yesterday, he informed me that he will be giving me a list of students if this behavior continues. I am asking all parents who have students who shuttle on that bus, to please talk to their students. We will be going over proper bus behavior at our next Monday Midday meeting, and I am hoping that I will not get a list from Jack. If a name is given to me, I will be contacting you to make you aware of your child's behavior.
