This week at ASCS

This week at ASCS:

This is an exciting week at All Saints! Today, Monday, the Parent Network will be kicking off their Charleston Wrap fundraiser. On Friday K-3rd grade classes will take their annual trip to Little Farmer, and the 4-8th grade classes will visit Lambeau Field, and the Packer Hall of Fame on their Faith on the Field trip to Green Bay.

On Wednesday, grades K-8 will participate in an all-school assembly featuring the NED program. This school-wide character education program centers around a 45 minute assembly called The NED Show. NED is a loveable cartoon character whose name is an acronym for Never give up, Encourage others, and Do your best. We are excited to bring this program to ASCS. A separate email was sent explaining the program. Contact the school office if you have any questions.

Join us for Mass on Thursday's at 9:15 in the oratory. Our school families would love for parents to celebrate Mass, and sit, with us.

The week in Review...

Wow. The first two weeks of school have come and gone, in a flash! The students and staff at ASCS are beginning to settle into a routine. Daily schedules are being set, and the students are becoming comfortable in their new classrooms. Our Saintly Way program started off with a challenge of being quiet on our way in from recess, and the students in K-4 have earned class wing slips last week. The Headstart 4K joined us for the full week on Monday and we are enjoying having new friends in our building.

Each week I will be highlighting something good that is happening in our classrooms. This week I would like to highlight the 4th grade classroom. Mrs. Kurzeck's flexible seating has been a hit with her students. Giving the students a choice of how they would like to learn has influenced these students to try their best in every subject.

Thank you to all of our Parents and Students for helping to make our school safe. Beginning last week we asked that anyone coming into the building sign in at the office and get a visitor's pass, including in the morning. We appreciate everyone's cooperation during this transition.

The 6th-8th grade will be traveling to Cason and Associates September 28th from 9:30-2:30. Susan Cason, who is currently teaching Science in middle school, will be leading an expedition through the marsh to classify plants and animals. We are very excited to have this opportunity right in our backyard!

Late Starts

Late Starts:

All Saints will be offering Child Care for late start Wednesdays during the school year. If you are in need of this service, please fill in the [Google Form](#). This will help us to get a better understanding of how many staff members we may need. All Saints will not be providing snacks or breakfast. Students are asked to sign in at the office when they arrive.

Homecoming

Homecoming- Next Friday, September 28th is Berlin's Homecoming Parade. All Saints will attend the parade, walking downtown around 2:30 and getting back after the parade is over. In year's past it has been around 3:10-3:20 when the parade is over. If you would like to join us for the parade we ask that you send a note to your classroom teacher. If you are going to pick up your student, we ask that you sign them out in the office prior to the parade. We will not be able to excuse the students downtown after the parade. We would love for you to join us if you are able.

Remember Scrip

Please remember to use our Scrip program for weekly shopping or gifts. SCRIP will be available at school during the week and at Mass on the weekends. School families are currently earning credit toward the 2019-2020 Scrip fee of \$100 and for tuition credits next year. If you have never purchased Scrip, please stop by the school office for assistance.

*****Bonus rebate:** Kwik Trip will be offering 9% rebate during the month of September. Get your orders in this week!

Things we collect:

We collect many items that assist our school with additional funding. These items may be dropped off at the school office all year long. In the past 3 years, we have averaged over \$4500 per year through these programs. Thank you for your support!
